

Introduction to Perpetual

August 2023

The Trustee Advisory Council would like to provide an update on the Trust to the Yaburara and Madudhunera community. In July 2023, Perpetual was appointed as Trustee for the Yaburara and Mardudhunera Trust.

As the Trust Manager for the Yaburara and Madudhunera Charitable Trust I would like to introduce Perpetual as the new Trustee responsible for managing and safeguarding these funds. With a strong commitment to upholding the rights and heritage of Indigenous communities, we understand the importance of these funds in supporting your future goals. Perpetual's strong team of Native Title specialists have experience managing and administering funds for 50 communities across Australia. This experience will enable us to carry out the trustee role effectively and efficiently for the YM Charitable Trust. Our expertise in navigating complex issues of governance and community development and our respect and admiration for Aboriginal people and culture sets us apart in the Native Title sector. We are dedicated to fostering transparency, accountability, and responsible management of these resources to ensure they are used to advance your community's well-being and progress.

We look forward to collaborating closely with you and ensuring that your Native Title funds are managed with the utmost care and respect they deserve. Thank you for your trust, and we are excited about the positive impact we can achieve together.

Kind regards

Paula Stewart

Perpetual

Working with the Yaburara and Coastal Mardudhunera members

The Perpetual team are looking to building a long and positive engagement with the Yaburara and Coastal Mardudhunera members. This will include attending meetings with the members, to understand your needs and concerns.

Changes to the Member Benefits Policy

During the transition of the trust, it became apparent that the size of the trust is unable to support the existing member benefit budget. Unfortunately, this has led to the Advisory Committee having to make tough decisions to balance the budget and secure the long-term viability of the trust. We understand the importance of these funds for supporting your community's initiatives and projects. Rest assured, we are actively addressing this issue and working to resolve the situation. Our primary focus is on ensuring responsible stewardship of the funds and securing a positive financial outlook for trust and the members. Your continued support and understanding during this time are greatly appreciated as we seek to navigate and improve this situation.

Application process

You will be receiving a copy of the new Member Benefits Guidelines and new application form by email. Copies will also be available at the Wirrawandi Corporation.

Yaburara Mardudhunera Members making applications will need to submit an application form with supporting documents to: assistance@wacrntbc.com.au
